ÉDITION DU JOUR

Université Ibn-Khladoun de Tيارت - Un master international sur l'agriculture de précision l'année prochaine

f t w h g+ in +

L'université de Tيارت procédera à partir de l'année prochaine à l'ouverture d'un master international sur l'agriculture de précision au titre de la coopération entre cinq universités algériennes et cinq autres européennes dans le cadre du programme "Erasmus", a-t-on appris du directeur du projet à l'université de Tيارت.
